ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Noel Housing Authority, a small, high-performing agency of 100 LIPH units, will continue to use scarce resources to enhance the housing stock and offer quality, affordable housing to very low and low-income residents. Housing needs of the area have been assessed and reviewed. NHA will strive to lease not less than 40% of the housing stock to those resident applicants who are below the 30% median income guidelines. Local preference is given to elderly, handicapped, disabled, proven on-site students and working families.

A 50% income exclusion is granted to the second and subsequent wage earners in a family. Flat rents based on area FMRs are in place. These policies help assure NHA both rental market share and a varied income mix (deconcentration).

The agency estimates managing a \$529,000 budget. Planned expenditures include normal operation and maintenance, scheduled replacement of non-expendable equipment and budgeted capital improvement items. Investment target reserves are in place along with separate homeownership funds, budgeted Evenstart reserve funds for 2004, and Security Deposit reserve funds.

Consistent with NHA Mission Statement, the agency will continue to provide or facilitate self-sufficiency and individual improvement opportunities for residents and community members. These include but are not limited to: on-site GED/ABE/ESL, on-site public library, site-based Headstart, and on-site childcare for the children of ABE students. Transportation will be provided on a limited basis for scheduled resident-directed activities/trips and for post-GED work at a nearby community college beginning fall semester 2000.

The NHA public spaces will continue to be made available for evening GED classes, Sr. Citizens' activities, WIC programs, Homeownership classes, AA, Rural Water District meetings, Fire Department training sessions and other meetings of public interest. When unscheduled for public meetings, the rooms are available for lease to residents or other responsible community members.

For the purpose of marketability, a scheduled conversion of elderly 0-bedroom efficiencies to 1-bedroom units is being completed during make-ready as efficiency residences are vacated.

The NHA Plan will be available for public review at the City Hall of Noel, Missouri, at the Noel Community Library and at the offices of Noel Housing Authority.

C. Strategy for Addressing Needs

NHA will continue a policy of priority housing for the very low income applicants, striving to meet the 40% target. Local preferences are in place for the elderly, disabled and eligible, proven on-site GED students. Local preference is also in place for working families to insure an income mix. The agency chose these strategies to serve the most needy populations, while maintaining financial viability.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☒ Reduce turnover time for vacated public housing units
- ☒ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☐ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☐ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☐ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program

- ☐ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

Page 8

Strategy 2: Increase the number of affordable housing units by:

- ☐ Apply for additional section 8 units should they become available
- ☐ Leverage affordable housing resources in the community through the creation of mixed - finance housing

Page 9

Attachment C - Deconcentration Policy

Per requirement of this plan, the Board of Commissioners adopted the following Deconcentration Policy:

To wit: that the agency will monitor and proactively address any concentration of incomes, ethnicity, or race in either of the two agency projects; that prescribed admissions mandated by law will be followed (eg. Seeking and giving preference to very low income persons to meet a public housing goal that 40% of the residents gaining admission have less than 30% of area median income, per NHA Resolution 99-0253); and that other than local preferences for 1) elderly and disabled; 2) proven, successful Evenstart students; and 3) working families; a strict date and time order will be used for offering dwelling units. Further, appropriately designated units will be offered in the order they become available with regard only to family size and status (elderly/disabled) of the applicant. Duly adopted April 13, 2000 to amends the current Admissions and Continued Occupancy Policy.
